

REAL PSYCHIATRY

**An Educational Experience Designed for and by
APPs on the Frontline of Modern Practice**

CLOSING REMARKS

— JANUARY 13, 2024 —

OUR MISSION

With novel medication options available, polypharmacy and trading physical health for mental health is no longer the status quo.

Now is the time to implement our knowledge into daily practice.

- Continue to learn about and implement evidenced-based medicine
- Give patients the best care possible
